FESTIVAL SPECIFICS FOR VENDORS

Each application must be accompanied by a \$25.00 check payable to **Bath Fest, P.O. Box 291, Bath, NC 27808** before May 10th, 2019. Late entries will be permitted only if special arrangements have been made in advance. Failure to attend will result in forfeiture of entry fee.

Entries for Artists will be divided into two categories – Crafts and Fine Arts. All artwork must be an original creation by the artist. No commercial items will be allowed for sale. If a representative of the Bath Fest Committee decides that items are not the Vendor's original work, the Vendor will be asked to remove the items from their display. Vendors must exhibit a minimum of 20 pieces. You must be present to display.

Artists will receive a special discount if they demonstrate how they create their Art. This must be indicated when you file your application; and you may then deduct \$10.00 from the vendor fee.

No electricity is provided or allowed, you are responsible for your belongings, including any loss or damage, you are responsible for your own taxes.

No concession stands are permitted since it is a policy of our Committee to only allow Bath Civic Groups to provide this service. There is no charge for Bath Civic Groups but an application and waiver must be completed and received.

Displays must be set up between 8:00-9:30 am. Break down is between 3:00-4:00 pm. We ask all vendors to respect this time period and have displays remain intact until after the event closes. In case of an emergency or if someone in your party needs to arrive or leave early, please notify a committee member and special arrangements will be made. We are a rain-or-shine event.

No automobiles will be allowed to park or traverse the event area during the hours between 9:30 and 3:30. Please refer to map on website regarding event area entrances and exits.
